ACTION ON HOMELESSNESS SOCIETY

## Outdoor Soccer

For the past three years our street soccer team, Maple Pool United, has practiced **every Wednesday from 4:00-6:00pm**. We play rain or shine, from April to October at **Maple Pool Campground**. Players of all levels are encouraged to participate, socialize and just help out and hang out. At the end of every practice a meal is generously provided by Jin & Dali Lin of Maple Pool Campground.

## World Street Soccer Championships

For three consecutive years a player from **Maple Pool United** has been selected to participate in the World Street Soccer Championships. This year Christine Watson was picked to represent Canada and the Comox Valley at the Championships in Santiago, Chile. **Way to go Christine! Dare to dream.**

## Indoor Soccer & Fitness Social

Beginning November 16<sup>th</sup>, our Indoor Soccer and Fitness Social will commence at the **Lewis Centre**. Practices are **every Sunday from 2:00 -4:00pm**. Bring gym runners if you have them and we will try to provide some gym shoes.
